Dear Ms Majodina, Ms Gwarube, Mr Shivambu, Mr Sigh, and Mr Mulder,

**Open Letter: Speaker and Ethics Committee fails to address #UniteBehind Complaint against Mr. Sifiso Buthelezi, Ms. Dipuo Peters, Mr. Joe Maswanganyi, Mr. Fikile Mbalula, Ms. Dikeledi Magadzi and Mr. Mosebenzi Zwane**

1. #UniteBehind writes this open letter to you for immediate action in the National Assembly to avoid costly litigation in relation to our ethics complaint against Members of Parliament. Our complaint is related to the Passenger Rail Agency of South Africa (PRASA). Since 2015, damning reports and judgments have detailed the deep state capture and maladministration that has completely destabilised the state-owned entity (SOE).
2. These are reports by the Public Protector, the Auditor-General, National Treasury, Werksmans Attorneys, and the Judicial Commission of Inquiry into Allegations of State Capture, Corruption and Fraud in the Public Sector including Organs of State (the State Capture Commission). PRASA employees, executives, state officials and politicians were implicated in state capture, corruption, maladministration, mismanagement, the

destruction of documents and other acts of malfeasance. Any rational MP would sit up night and day to restore the lost integrity of Parliament especially in relation to PRASA.

3. Four years ago, in February 2018, #UniteBehind informed Parliament and demanded that it take action to #FixOurTrains. We submitted evidence to the Portfolio Committee on Transport regarding:
  - 3.1. PRASA's leadership and governance crisis;
  - 3.2. The duty to remove the criminal network which engineered PRASA's capture;
  - 3.3. The duty to ensure the prosecution of this criminal network;
  - 3.4. The duty to ensure the prosecution of all companies that benefitted from state capture; and
  - 3.5. The need for an emergency safety plan.
4. Parliament failed working-class people who depended on PRASA. Instead of grasping the opportunity to act, the Speaker of Parliament, Ms. Nosiviwe Mapisa-Nqakula, the Co-Chairpersons of the Joint Committee on Ethics and Members' Interests (Ethics Committee), Mr. Bheki Nkosi and Ms. Lydia Moshodi, are openly displaying a contempt for legality. They fail to acknowledge that the grave findings against Ministers, Deputy-Ministers, the various Portfolio Committees have enabled the destruction of PRASA. Parliament must act diligently and without delay when the credibility of the institution is destroyed. Section 237 of the Constitution demands such prompt action when MPs have violated the law. Instead of firm but fair action, we are faced with arrogance, dilatory and obstructive conduct from Parliament that will legally implicate your political parties should you fail to address our demands.
5. Our complaints were received by the Registrar of the Joint Committee, Adv. Anthea Gordon, on 12 September 2022. Despite numerous follow-ups by #UniteBehind which have been ignored or brushed aside, the Speaker and the Ethics Committee have failed to respond in rational manner. #UniteBehind's complaints against corrupt MPs have not received adequate attention or priority. As a result, we issued a letter of demand (Annexure A) to the Speaker and the Registrar with clear demands our complaints be addressed by no later than 12 February 2023.
6. #UniteBehind received a reply from Mr. Nkosi and Ms. Moshodi that illustrates a contempt of people, process and substance (9 February 2023 marked Annexure B). The Ethics Committee's reply states that we have drawn "unfounded negative conclusions" about its "work." Instead of setting out a time schedule to address this grave crisis laid bare in the complaint, the Ethics Committee bemoans #UniteBehind's insistence that they follow a prompt, fair and open process to hear the matter, stating that it is "very demanding".
7. Parliament's Code of Conduct requires MPs to uphold the principles of selflessness, integrity, honesty and leadership, "placing the public interest above their own interests."<sup>1</sup> Further, of course, MPs must uphold the law.<sup>2</sup> It is clear that the MPs implicated in our complaints have breached the Code of Conduct. For allowing or promoting PRASA's "slide into almost total ruin,"<sup>3</sup> we demand that the Committee investigates and

<sup>2</sup> Art. 4.1.2 of the Code of Conduct

removes the Members of Parliament (MPs). We also ask Parliament to institute further proceedings against the implicated MPs in terms of the Prevention and Combatting of Corrupt Activities Act, the Public Finance Management Act, and the Constitution.

8. Clause 10.2.1 expressly provides that the complaints procedure “is based on and intended to be guided by the principle of promptness, fairness and consistency.” Clauses 10.3. and 10.4 show that Registrar must consider the complaints, responses from the implicated MPs, collate further information and, if necessary, undertake a preliminary investigation. She must make a recommendation to the Committee as to whether it should dismiss the complaint, whether it should undertake further investigation, or whether a finding can be taken on the evidence before it. Only after these steps are taken, may the Committee consider the matter.
9. Parliament needs to rebuild its integrity as the foremost oversight body in the country. We need your help in urging the Speaker and the Registrar to prioritise and respond to our complaints. Although the Code of Conduct does not prescribe an absolute time period by which a recommendation must be made, all exercises of public power must be taken without unreasonable delay. This is reinforced by the fact that the complaints procedure is based on and intended to be guided by the “principle of promptness, fairness and consistency.”
10. Parliament’s role as an oversight and legal enforcement body (section 55(2) of the Constitution) has weakened over the past two decades. Since the Arms Deal, unparalleled illness and death caused by HIV denialism, every report by the Auditor-General illustrates the moral and legal degeneration of Parliament through state capture. It is time for Parliament to clean its own house. As Chief Whips, you have the power to ensure that our complaints receive adequate, urgent attention and restore integrity to Parliament. You have the power to give #UniteBehind and the public answers to the following questions:
  - 10.1. What is the status of the #UniteBehind complaints and what are the timelines for its conclusion?
  - 10.2. How many other complaints are being dealt with by the Ethics Committee and what are the specific violations by MPs?
  - 10.3. What are the specific procedures employed by the Ethics Committee to ensure a thorough prompt, fair and consistent approach to each complaint?
  - 10.4. How many complaints have been finalised between February 2022 and February 2023.
  - 10.5. Have the records of the decisions by the Ethics Committee been published and what sanctions, if any, were instituted against violators of the Constitution?
  - 10.6. Do the records of decisions fully ventilate the reasons for the Ethics Committee’s decisions?
11. #UniteBehind will accept the intended insult that we are “demanding” as a badge of honour because working-class people who rely on PRASA have lost their lives, suffered injury, income, time with their loved ones, and so much more because of Mr. Buthelezi, Mr. Mbalula, Ms. Peters, Ms. Magadzi, Mr. Maswanganyi and Mr.

Zwane. As political parties who represent all our people, we demand that you act diligently and without delay. Every party in Parliament has the legal duty to assist #UniteBehind in getting justice.

12. We have attached a petition, along the signatures and comments made on the petition, supporting our complaint (Annexure C)
13. State capture undermined every institution. #UniteBehind laid a complaint with the Judicial Services Commission against Justice TAN Makhubele because Parliament refused our invitation to correct PRASA and the Judiciary's course in February 2018. Therefore, we urge you to follow the Judicial Conduct Tribunal to consider whether Justice TAN Makhubele must be impeached because she acted in breach of the separation of powers and her conduct while being Chairperson of PRASA's Interim Board attempted to facilitate corruption. The first round of hearings will take place from the 21<sup>st</sup> to the 24<sup>th</sup> February 2023.

Once again, you have the opportunity to change course. We urge you to take action before 3 March 2023 because we do not wish to embroil you in litigation.

Sincerely,

Zackie Achmat

Dear Speaker Mapisa-Nqakula and Adv. Gordon,

## LETTER OF DEMAND

### RE: UNREASONABLE DELAY ON #UNITEBEHIND'S COMPLAINT TO THE ETHICS COMMITTEE

1. We act on behalf of #UniteBehind, Mr. Achmat and Ms. Fokazi and refer to Speaker Mapisa-Nqakula's letter dated 16 January 2023, which is attached hereto marked as "A".
2. We note that the Joint Committee on Ethics and Members' Interests ('the Committee') is attending to our clients' complaints regarding the following Members of Parliament: Mr. Sfiso Buthelezi, Ms. Dikeledi Magadzi, Ms. Dipuo Peters, Mr. Joseph Maswanganyi, Mr. Mozebenzi Zwane, and Mr. Fikile Mbalula.
3. Our clients submitted the complaints on 12 September 2022. It has thus already been four-and-a-half months since the complaints were submitted. In her letter of 16 January 2023, the Speaker indicated that the Committee is dealing with the complaints and, further, that the matters were on the agenda for a Committee meeting apparently held on 7 November 2022. The Speaker also stated that the matter would be "further processed from *about March 2023*." This can only mean that the complaints will only be processed more than six months after they were submitted.
4. There has been a failure properly to process our clients' complaints in terms of Parliament's Code of Conduct.
  - 4.1. Clause 10.2 sets out the "Procedure for the investigation of complaints".

4.2. Clause 10.2.1 expressly provides that the “is based on and intended to be guided by the principle of promptness, fairness and consistency.”

The Registrar is provided a period of seven days to inform the Member of the complaint and the Member has seven days to respond (clause 10.2.4 and 10.2.6).

5. It appears that none of these processes were complied with.

6. Clause 10.3 provides further as follows:

*10.3 Upon receipt of a response from a Member or where the Member has not responded the Registrar must:*

*10.3.1 assess the authenticity or validity of the complaint based on the information at his or her disposal;*

*10.3.2 collate such further information as may be necessary to enable him/her to make an informed recommendation to the Committee Members;*

*10.3.3 consult the Chairperson, and conduct a preliminary investigation as may be necessary to enable him or her to make a recommendation to the Committee. In this instance, the Member must be immediately informed that a preliminary investigation is underway, upon completion of the collation of further evidence and the preliminary investigation referred to above.*

*10.3.4 all documents, evidence and information in the possession of the Registrar must, up to this stage, remain confidential.*

*10.4 the Registrar must make a recommendation to the Committee -*

*10.4.1 that the complaint is frivolous, vexatious or unfounded; or*

*10.4.2 that a specific finding be made on the available evidence together with a recommended sanction to be imposed; or*

*10.4.3 that a further investigation be instituted with a suggested procedure to be followed with an elaboration of issues and facts to be investigated; and*

*10.4.4 indicate who will conduct the investigation and the duration of such a proposed investigation; or*

*10.4.5 that a hearing should be held without any further investigation; or*

*10.4.6 any other recommendation as may be supported by available facts and circumstances of each case which may not be provided for above; or*

*10.4.7 that he or she is unable to make a recommendation on the available evidence.*

7. Only once this process, including the collation of further information and, if necessary, a preliminary investigation and a recommendation, is completed, may the Committee consider the matter. It appears from the Speaker's letter that the Committee is considering the matter without a recommendation on the matter.

8. Further, although the Code of Conduct does not prescribe an absolute time period by which a recommendation must be made, all exercises of public power must be taken without “*unreasonable delay*.” This is reinforced by the fact that the complaints procedure is “based on and intended to be guided by the principle of *promptness*, fairness and consistency” (emphasis added). The Speaker's

vague and unsubstantiated references to other matters being complex or requiring time in no way justifies the delay.

9. That our clients' complaints will only be processed (after which a recommendation will be made), more than six months after the complaints were submitted constitutes an unreasonable delay. It is not in keeping with the principle of promptness. Furthermore, the complaints procedure is accountability mechanism: delays in processing and deciding complaints detracts from this purpose.
10. Thus, we are instructed to inform you of our client's demand that the Acting Registrar makes her recommendation to the Committee by no later than 12 February 2023. If no such action is taken, we are instructed to launch legal proceedings to compel the making of a recommendation. Costs will also be sought against Parliament.
11. We trust you find the above in order, in the interim our clients rights remain strictly reserved.

MR SIFISO BUTHELEZI, MS DIPUO PETERS, MR JOE MASWANGANYI, MR  
FIKILE MBALULA, MS DIKELEDI MAGADZI AND MR MOSEBENZI ZWANE**

Your letter of demand dated 01 February 2023, refers.

We note that the content of your letter draws unfounded negative conclusions about the work of the Joint Committee on Ethics and Members' Interests ("the Committee") and the support role of the Office of Registrar.

We kindly ask that you desist from these counter-productive comments. Your clients have been very demanding since they lodged the complaints last year, to the extent that, they fail to appreciate that there are other matters as well before the Committee. The Committee is committed to processing all complaints within the parameters of the Code of Ethical Conduct and Disclosure of Members' Interests ("the Code") and as its meeting schedule allows.

We cannot accede to your request for a meeting to be convened by 12 February 2023. You may be well aware that this week and next, the Parliamentary program is committed to the State of the Nation Address and the subsequent debates on the President of the RSA's address and the President's reply.

The next meeting of the Committee is scheduled for 6 March 2023. We attach a Z-list for confirmation of this fact in the event that you or your clients doubt the fact of the scheduled meeting date.

# Parliament Must Remove Corrupt MPs for PRASA's Capture

[Unite Behind](#) started this petition to Parliamentary Joint Committee on Ethics and Members Interests

**5,041 have signed.**

UniteBehind seeks your support in persuading Parliament's Ethics Committee to:

- investigate,
- discipline,
- and remove MPs who were involved in or implicated in the capture of the Passenger Railway Agency of South Africa ('PRASA').

PRASA has fallen into disarray. Most commuters find the service too unreliable to use. Worse still, much of the country's commuter rail is not operational. Almost none of Gauteng's train routes have been working since May 2022. In Cape Town, the Central line - meant to serve the largest number of people - has been shut down intermittently since 2018 and completely since 2019.

In June 2022, Chief Justice Raymond Zondo released the Commission of Inquiry into Allegations of State Capture ('State Capture Report'). The State Capture Report (Part V, Volume II) implicates several people in corruption and maladministration at PRASA. However, rather than being punished, many have been rewarded with positions as MPs, such as Sfiso Buthelezi, Dikeledi Magadzi, Dipuo Peters, and Joe Maswanganyi. The current Chair of the Transport Portfolio Committee, Mosebenzi Zwane, and the current Minister of Transport, Fikile Mbalula, have also been implicated in severe corruption and maladministration. The actions of the above MPs have allowed corruption to thrive within PRASA. The conduct of these MPs facilitated and/or continues to facilitate the collapse of the passenger rail service.

By signing this petition, you are assisting UniteBehind in our efforts to remove corrupt officials from Parliament, stop the looting at PRASA, and prevent the further destruction of the entity.
